WARM THE SOLES

Brigham City, Utah – Annually, during the holiday season, Box Elder Credit Union along with members of the Utah Credit Union Association donate hundreds and hundreds of pairs of shoes and socks to underprivileged children, ages 18 and under in Box Elder County. The program, “Warm the Soles”, was started in 1993 by a credit union president who saw a need in his community. Box Elder Credit Union continues the “Warm the Soles” tradition each year, partnering with Members First and America First Credit Union during the holiday season.
